Every effort has been made to assure the accuracy of information contained within this brochure. However, errors can occur and circumstances may require adjustments to fees, schedules, locations, or other aspects. NWSRA reserves the right to make such adjustments and apologizes for any inconvenience these errors or adjustments may cause.

Dispensing of Medication

Please indicate on the registration form if a camper will be taking prescription medication at camp. The NWSRA office will mail parents a medication packet which includes a permission form, medication envelopes, instructions and policies for providing and administering medications. All medications distributed at camps other than Camp Connections must be in NWSRA envelopes.

STAR Academy

Please see pages 20 & 21 for details about STAR Academy - Day Camp After Care. The program is offered to all children registered in the NWSRA day camp program and runs until 6:00 p.m. at Hanover Park, Mt. Prospect and Rolling Meadows locations.

Parent/Camper Meet 'n Greet

An opportunity for parents and campers to meet their counselors and share information will be provided prior to the start of camp. Parents should plan to attend these informative meetings to receive details about the camp and to share their child's needs, abilities and restrictions with the staff members. More information will be mailed in early May.

Parent Handbook

Parents/guardians are sent a Parent Handbook along with their confirmation of registration in early May. Parents are encouraged to read the Parent Handbook carefully to learn more about day camp procedures.

NWSRA will confirm registration status for camps by mailing a packet of detailed information to each participant in early June. Parents may call the office to confirm after Monday, April 15.

Potential Date Changes

Due to the number of snow days that were utilized over the winter months, some school districts may be extending their school year end dates. Day camp dates will be adjusted to accommodate those date changes. Parents will be notified if any changes are necessary.

Non-Residents

Non-residents may register after the registration deadline, as space allows, and will be subject to a 50% increase above the fee listed. Transportation is not available outside of the NWSRA service area. If space allows, non-residents will be accepted into day camps on Monday, April 15.

IMPORTANT INFORMATION

NWSRA is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. NWSRA continually strives to reduce risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of children registering for the programs listed above must recognize that there is an inherent risk of injury when choosing to participate in recreational programs.

You are solely responsible for determining if you or your child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

Warning of Risk

Recreational programs and activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational program or activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, participant misconduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities/programs exist. In this regard, it must be recognized that it is impossible for NWSRA to guarantee absolute safety.

Waiver and Release of All Claims and Assumption of Risk

Please read this form carefully and be aware that in signing up and participating in the above identified programs, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your child/ward might sustain as a result of participating in any and all activities connected with and associated with said programs (including transportation services, when provided.) I recognize and acknowledge that there are certain risks of physical injury to participants in these programs, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my child/ward may have (or accrue to me or my child/ward) as a result of participating in these programs against NWSRA including its officials, agents, volunteers and employees (hereinafter collectively referred as NWSRA). I do hereby fully release and forever discharge NWSRA from any and all claims for injuries, damages, or loss that my child/ward or I may have or which may accrue to me or my child/ward and arising out of, connected with, or in any way associated with these programs.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, e-mail, your on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.
