DISCUSSION ITEMS B

BOARD GOVERNANCE

The intent is to continue conversation and planning centered on the alignment of and progress towards the Strategic Plan and Supt. Evaluation. Sharon Roberts guided the Board through the current Annual Governance Cycle document.

Recommendations were made to revise some of the wording in the document. Also discussed was the number of and timing of Strategic Plan updates provided to the Board throughout the year. Suggestions made were:

August – remove review of Strategic Plan August - add Department Work Maps will be shared with the BOE.

May – add Final report and feedback towards the Strategic Plan May – add Review of Strategic Plan and update Plan, if needed

Committee Assignments:

Dr. Fessler shared a document that consolidated the District/BOE committees. BOE members can attend any committee that the Superintendent posts.

Suggestion was made to add a Learning Spaces committee and a Communication (including external communication) committee.

Suggestions was made to change the Facilities Advisory committee title to the Long-term Facilities Advisory Committee. Dr. Fessler will discuss all committee names, purposes etc. with SLT members. This will come back to the BOE as a discussion item in August.

A question was raised to whether the D59 Education Foundation belongs listed as an outside group having BOE representation. Dr. Fessler will consult

with the District's attorney as to language we should use to denote that the Foundation is a 501(3)c organization that the District supports.

Board Governance Framework:

Board members reviewed the Framework. Recommendations for changes were made.

1. Add an introductory paragraph to the document. Sharon Roberts has the wording.

2. Working Agreements & Communication:

Revision: page 2, bullet 6: BOE member visiting a school, Supt should be notified in advance.

3. Suggestion to add to Governance Framework: Any community questions that come to the Board in general(through an e-mail) would be responded to by the BOE president. BOE member receiving the communication may acknowledge receipt of the e-mail. This should be copied to the Supt.

4. A reminder was given to copy the BOE president when requesting information from the Supt.

5. When community members speak to the Board - add to the public response when addressing the BOE, the president will read a scripted explanation that addresses the role of the Board. The Board will listen and not comment to the community member.

New Procedure: Community members who speak to the Board will be provided the opportunity to leave their contact information for follow-up by the Superintendent or his designee.

6. Dr. Fessler will check with the attorney as to the protocol to follow when a community member begins to discuss specific staff member concerns. He will also check if the Board can go into an emergency Closed Session at the on-set of the discussion.

New Board Member Mentoring:

Sharon Roberts suggested that we formalize the mentoring process, including specific processes, resources, etc. Sharon Roberts will create a checklist of documents to share etc. This will come to the Board for review.
