# Resident Camp Specialty Programs

Specialty Programs combine all of the activities of “Resident Camp” with a focus on one particular activity for part of the day. Many programs, like horses or fishing, are available in both “Resident Camp” and “Specialty Programs” with the difference being the level of focus.

## Ranch and Circle A Riders

### Resident Camp Specialty

“All campers in Resident Camp may choose to participate in horse-related activities on a daily basis during Directed Free Periods. But, if you want to spend more time down at the corral, you can sign up in advance for one of our two horse related specialty programs: Ranch” (7th grade or higher) or “Circle A Riders” (4th-6th grades). Participants spend a portion of their day learning horse care and riding techniques on our working ranch. For Ranch each camper is given their own horse to ride and care for under the close supervision of our staff. For Circle A each camper may experience multiple horses; learning unique skills from working with each mount. Lessons, ring work, trail rides, games, and special events will fill your week. Of course, we also leave ample time to enjoy the many other activities at Anokijig. These programs have limited space, so register early. Helmets provided.

**Offered each session**

**Circle A is for fourth thru sixth grade.  
Ranch is for seventh grade and up.**

## Leadership

Our staff is chosen for their understanding of young people and their ability to communicate with them on a positive level. Our camper-to-staff ratio is about four to one. Most of our staff are previous Anokijig campers, so they bring a perspective to their leadership role that is deeply enhanced by Anokijig's rich spirit and tradition. All staff attend an extensive training program prior to camp opening. Kids love us, parents trust us.

## Health and Safety

Health and safety are our number one priorities. A medical staff lives at Camp. Physicians are available twenty-four hours a day, with a clinic and hospital only minutes away. Our waterfront staff are certified life-guards. Counselors are trained in First Aid and CPR.

## Teen Leadership Program

We call it Junior Staff. This volunteer program provides powerful, life-changing, experiential leadership experiences for teens. If you are 15-17 years old, you may qualify to participate. Contact the Anokijig office for more information.

## Earn Your Way

Any camper can participate in our candy sale or internet gift sales program to earn all or a portion of their camp fee. It is easy to do and fun besides.

- Candy Sales - Sell candy in person to friends, family, and acquaintances with 50% of each sale going toward your fees.
- On-line Gift and Magazine Sales - Register at the on-line sales store and distribute your code to friends, family, and acquaintances. When they buy gifts, candy, or magazine subscriptions through the online store - your camp account gets 40% of the sale.

Choose one or both ways to fund your stay this summer. Check out [www.anokijig.com](http://www.anokijig.com) for details.

Bring a new camper to Anokijig, for a week long program, and earn a discount. Bring enough new friends and come for FREE.
