ABOUT US

Northwest Special Recreation Association (NWSRA) was formed in 1974 to provide a full spectrum of recreation services to individuals with disabilities. NWSRA is a partnership of 17 park districts in the northwest suburbs of Chicago committed to supporting community access to recreation for people with disabilities.

WHICH CAMP SHOULD I SELECT?

Please read the description of each camp carefully to select the appropriate camp for your child based on age, special education classification and location. Or, call Jodi at 847/392-2848, ext. 254.

CAMP FACILITIES

Throughout the year, NWSRA works to reserve facilities for day camps. Please note that at times there are unforeseen circumstances causing location changes for camps. In the event of a location change, parents will be notified.

CAMP GROUPINGS

In camps that are offered to ages 7-21, the age groups are further broken down within the camp once all the registrations have been received. Typical age breaks include 7-10, 11-14 and 15-21 years.

PARENT REQUESTS FOR COUNSELORS

Careful consideration is utilized when determining day camp staff assignments and developing the staff/camper groupings. Requests from parents for their children to have specific counselors cannot be granted. NWSRA strives for staff consistency, however, staff changes and reassignments may take place after camp has begun due to specific needs at other camp sites.

CAMP CALENDARS

The first day of camp each camper will receive a camp calendar, indicating field trip days, theme weeks and special events.

SUNSCREEN/BUG SPRAY

Parents/guardians are asked to provide a spray on sunscreen product and bug spray for their child. Please label the bottles with the camper's name and bring to camp on the first day. Any unused portion will be returned at the end of camp. (Please indicate permission to apply sunscreen on the registration form).

STAFF TO PARTICIPANT RATIOS and PARENT REQUESTS FOR 1:1

NWSRA's day camps are designed for a 1:1 - 1:4 staff to participant ratio. Careful consideration is taken into account when determining camper groupings and staff to participant ratios. Campers of parents who have requested 1:1 supervision will go through an observation and skills assessment the first few days of camp to determine the appropriate staff to participant ratio. Parents that request 1:1 supervision on the registration form will be notified if the request for a 1:1 is deemed unnecessary. Once registration is processed, parents may read more about this process in the Parent Handbook.

T-SHIRTS, CAMP BAGS and PICTURE DAY

Campers receive a t-shirt and a camp bag on the first day of camp. Campers will also receive a souvenir photo following Camp Picture Day.

BROCHURE ACCURACY

Every effort has been made to assure the accuracy of information contained within this brochure. However, errors can occur and circumstances may require adjustments to fees, schedules,

locations, or other aspects. NWSRA reserves the right to make such adjustments and apologizes for any inconvenience these errors or adjustments may cause.

LUNCH/PEANUT FREE AREAS

Please send a labeled sack lunch and drink each day unless otherwise noted on the camp calendar. For those campers with peanut allergies, a peanut free area, away from the other campers, will be provided at each camp. More information will be available in the Parent Handbook.

DISPENSING OF MEDICATION

Please indicate on the registration form if a camper will be taking prescription medication at camp. The NWSRA office will mail parents a medication packet which includes a permission form, medication envelopes, instructions and policies for providing and administering medications. All medications distributed at camps other than Camp Connections must be in NWSRA envelopes.

SWIMMING

Swimming dates will be noted on the camp calendar and vary with each camp location. More details are included in the Parent Handbook.

SEIZURE PRONE SWIMMERS

If your child has seizures, they must be controlled by medication or not have occurred within the past year in order for him/her to participate at the ratio provided. If your child needs a closer ratio due to recent seizure activity, contact the camp coordinator at the NWSRA office.

DAY CAMP AFTER CARE

Please see page 4 for details about after camp care. Day Camp After Care is offered to all children registered in the NWSRA day camp program and runs until 6:00 p.m.

SAFETY VEST SYSTEMS

Campers that require a safety vest system during summer day camp **are required to provide their own safety vests**. NWSRA and the commercial bus company do not provide the vests, but does provide the hook up system. **Parents may contact their local school district prior to the end of the school year to request possible use of a safety vest over the summer or purchase their own vest.**

PARENT/CAMPER MEET 'n GREET

An opportunity for parents and campers to meet their counselors and share information will be provided prior to the start of camp. Parents should plan to attend these informative meetings to receive details about the camp and to share their child's needs, abilities and restrictions with the staff members. More information will be mailed in early May.

PARENT HANDBOOK

Parents/guardians are sent a Parent Handbook along with their confirmation of registration in early May. Parents are encouraged to read the Parent Handbook carefully to learn more about day camp procedures.

LATE FEES

A fee of \$1.00 per minute will be charged when parents/guardians/home staff are late picking up their child.

BROCHURE DISTRIBUTION

2

Please be advised that the NWSRA day camp flyers will no longer be delivered to the school districts. Day camp flyers will be available on-line. The date registration begins is listed on the back page of the flyer. Day camp flyers will be available as a hard copy at your local park district community center and at the NWSRA office. The flyers will be sent in the mail to those families who had campers enrolled the previous year. Please call our office if you are interested in being added to our mailing list so that you receive a flyer next year.

2017 NWSRA DAY CAMP GOALS

IMPORTANT INFORMATION

NWSRA is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. NWSRA continually strives to reduce risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of children registering for the programs listed above must recognize that there is an inherent risk of injury when choosing to participate in recreational programs.

You are solely responsible for determining if you or your child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

Warning of Risk

Recreational programs and activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational program or activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, participant misconduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities/programs exist. In this regard, it must be recognized that it is impossible for NWSRA to guarantee absolute safety.

Waiver and Release of All Claims and Assumption of Risk

Please read this form carefully and be aware that in signing up and participating in the above identified programs, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your child/ward might sustain as a result of participating in any and all activities connected with and associated with said programs (including transportation services, when provided.) I recognize and acknowledge that there are certain risks of physical injury to participants in these programs, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my child/ward may have (or accrue to me or my child/ward) as a result of participating in these programs against NWSRA including its officials, agents, volunteers and employees (hereinafter collectively referred as NWSRA). I do hereby fully release and forever discharge NWSRA from any and all claims for injuries, damages, or loss that my child/ward or I may have or which may accrue to me or my child/ward and arising out of, connected with, or in any way associated with these programs.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, e-mail, your on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.
