KID POWERED TEAM DRIVEN

The YMCA is bringing
Destination Imagination®
to our school-age programming.

Destination Imagination is an educational experience where student teams solve open-ended challenges and present their solution at tournaments. Teams are tested to think on their feet, work together, and devise original solutions that satisfy the requirements of their selected challenge. Your child will gain more than just basic knowledge and skills. They'll learn to unleash their imaginations and take unique approaches to problem solving.

The teams will meet weekly to grow their skills and be invited to a regional team challenge on Saturday, February 9th.

Lattof is seeking Destination Imagination (DI)
teams for all grades.

Session date: Dec-Feb 18-19 [lafmdestim](#)

Price \$115 Member / \$160 Non-Member

This activity is not sponsored by Community Consolidated School District 59, and any of its schools, or groups officially associated with the District.
