Tradition.

Camp Anokijig has been recognized for excellence in camping for 93 years, with a rich tradition and history of offering youth an experience that will last a lifetime. Anokijig is a Native American word meaning “we serve,” but it’s also synonymous with new friends, positive values, personal growth, great adventures, and outrageous fun. When you combine all of this with our dedication to values like caring, honesty, respect, and responsibility, you have a combination that can’t be beat!

Programs are offered to boys and girls ages 7 to 16, for four days, one week, two weeks, or for up to nine weeks of summer fun. Anokijig is not just another place to go, it is a community, an experience, a spirit shared among all who visit. It is incredible magic that you will always cherish. Join us, you will love it!

Camp Anokijig offers four types of camping experiences. **Resident Camp** is our largest program, which offers the camper a wide variety of activities from which to choose. This program has activities for all ages and emphasizes a well-rounded and fun camp experience. **Resident Camp Specialty Programs** and **Day Trips** combine all the activities of resident camp with a focus on a particular special activity. **Adventure Trips** are for the camper who wants to experience a more rustic style of camping and explore unique outdoor adventures.

Anokijig is a Native American word meaning “we serve,” but it’s also synonymous with new friends, positive values, personal growth, great adventures and outrageous fun.

Resident Camp

Resident Camp is the traditional overnight camp experience for boys and girls ages 7 to 16. It is a well-rounded summer vacation with more activities available than you can imagine. This program is for the camper who wants to try it all. Imagine living in a caring community dedicated to positive experiences and outrageous fun!

There is nothing that can compare! Resident Camp has four activity types that go on throughout the week. **Skill Periods:** campers choose

specific activities in order to learn and enjoy a new skill. **All-Camp Activities:** all the campers and staff come together for various large group events. **Sectional Activities:** campers who live together plan an activity to enjoy as a group. **Directed Free Time:** all activity areas are staffed and supervised for the campers to pick and choose as they please. Plus, Weekly Special Theme Days are filled with outrageously fun activities. Don't miss days like Western Day, Neptune Day, Carnival Day, or this year's 4th of July extravaganza that will highlight Session 3.

Mini-Camp A taste of Anokijig... a short visit for an introduction to all the fun and activities of Resident Camp, with the option to extend for the week. **Mini-Camp** starts each Sunday of the summer schedule and ends on Wednesday night.

Resident Camp Specialty Programs

Resident Camp Specialty Programs combine all the activities of “Resident Camp” with a focus on one particular activity for part of the day. Many programs, like horses or fishing, are available in both “Resident Camp” and “Specialty Programs” with the difference being the level of focus. For Specialties normally the morning “skill” time is dedicated to that program. This leaves directed free time available for all of the other camp programs or more focus on the specialty. This is the best of both worlds...Resident Camp Activities plus a Specialty of your choice. All have limited enrollment, so don't wait too long!

Anokijig's Angel Hills (Mini-Golf)

It is finally here! After 20 yrs of planning mini-golf has arrived at Anokijig. Now you can challenge your friends to a round on the course for free period or start your own sectional tournament!

Teen Leadership Program

We call it Junior Staff. This volunteer program provides powerful, life-changing, experiential leadership experiences for teens. If you are 15-17 years old, you may qualify to participate. Contact the Anokijig office for more information.

Ranch (7th grade and older horse program) All campers in Resident Camp may choose to participate in horse-related activities on a daily basis during Directed Free Periods. But, if you want to spend more time down at the corral, you can sign up in advance for Ranch. Each Ranch camper is assigned their own horse to ride and care for under the close supervision of our staff. Morning Skill periods are filled with lessons, ring work, trail rides, games and special events. That leaves ample time to enjoy the many other activities at Anokijig or more time helping out at the corral. These programs have limited space, so register early. Helmets provided. **Grade 7 and up**

Circle A (4th- 6th grade horse program) All campers in Resident Camp may choose to participate in horse-related activities on a daily basis during Directed Free Periods. However, if you are 4th-6th grade and want to spend more time down at the corral, you can sign up in advance for Circle-A Riders. Participants spend a portion of their day learning horse care and riding techniques on our working ranch. For Circle A each camper may experience multiple horses; learning unique skills from working with each mount. Lessons, ring work, trail rides, games, and special events will fill each afternoon of your week. Mornings leave the opportunity to experience two other camp skills and of course, we also leave ample time to enjoy the many other activities at Anokijig. These programs have limited space, so register early. Helmets provided. **4th-6th grade.**

Fishing Expeditions This is an exciting program that will be filled with variety, adventure, and a fishing good time. We will learn to fly fish and then travel to a premier trout area where we always catch our dinner. We'll night fish from a pontoon boat or in our private fishing hole looking for Northern, Bass, and Pan Fish. Experience using a variety of baits, both live and artificial, and try new techniques. We will fish from shore, docks, and boats. Top off the week with a Lake Michigan Charter trip (weather permitting) to bring home the real big ones. If you like to fish or want to learn, this will be the highlight of your summer. Come get hooked. Plus, when not wetting your line, you can enjoy the activities of Resident Camp. **Grade 6 & up.**

Check out our [Sylvania Backcountry Canoe Fishing Adventure Trip Too!](#)

Adventure Challenge Have you ever watched one of the dozens of Survivor-like shows on the air and said, “I could do that!” Now is your chance! “Barrel Boat Building,” “Human Foosball,” “Fire hose Lanyards,” and “4-Way Tug-O-War,” are just a few of the events that have thrilled Adventure Challenge Campers in the past. Any of these and more await your arrival. If you crave excitement, and are ready to be challenged both mentally and physically, you won't be disappointed. Plus, when not on a challenge, you can enjoy the activities of Resident Camp. **Grade 8 and up.**

Youth Shooting Sports Camp This is an exciting one-of-a-kind opportunity for the budding hunter, weekend plinker, or future clay shooter enthusiast. Spend your mornings at The Highlands Sportsman's Club, just a short bus ride from Anokijig. Designed for the novice shooter, you'll learn safe, effective target shooting with .22 Rifle, 5-stand clay shooting, and Sporting Clays. Individual instruction from our team of 3 experienced instructors will get you the skills to succeed in this sport. All shooting sports instruction takes place at the off-site location; however, when not at the range, you can enjoy all of the other great activities of Resident Camp. **Grade 7 and up.**

Day Trips

Stamper Resident Camp

A great way for older campers to lengthen their stay while providing a little bit of service for Anokijig. Open to those individuals who are at least fourteen years of age. The Stamper position is a cross between camper and worker. Stampers are charged a reduced resident camp fee in exchange for performing kitchen or dining hall maintenance duties for portions of each day. Generally Stampers work one meal per day (approximately 2-3 hours) in the kitchen/dining hall doing dishes and clean-up. All Stampers can also be involved in regular camp activities with some limitations regarding Day Trip options. Other privileges may include stamper sectional activities. For those whom are interested in becoming a volunteer Jr. Staff in the future; Stamper is an opportunity to prove your abilities and dedication. Stampers can be more likely to make the transition to Junior Staff positions. Work your way to a great summer camp experience!

Day Trips are options within the **Resident Camp** program. A different trip is offered each day providing campers with the opportunity to customize their camp experience while still enjoying the activities available in **Resident Camp**. No experience is necessary. **Available to campers entering grade 7 and up.**

And the Rest of the Story

Facilities Prime forestland surrounding the lake is just the beginning of this beautiful setting. Rolling hills, fields, streams, ponds, and island all add up to make this a scenic and ideal camping site. Delicious and nutritious meals are served in Western Lodge, one of the largest and most beautiful log structures in the state of Wisconsin. Platform tents, cabins, bunkhouses, beautiful waterfront, and sand beach combine with our experienced staff and quality programs to make your Anokijig adventure one to remember.

Leadership Our staff is chosen for their understanding of young people and their ability to communicate with them on a positive level. Our camper-to-staff ratio is about four to one. Most of our staff are previous Anokijig campers, so they bring a perspective to their leadership role that is deeply enhanced by Anokijig's rich spirit and tradition. All staff attend an extensive training program prior to camp opening. Kids love us, parents trust us.

Health and Safety Health and safety are our number one priorities. A medical staff lives at Camp. Physicians are available twenty-four hours a day, with a clinic and hospital only minutes away. Our waterfront staff are certified lifeguards. Counselors are trained in First Aid and CPR.

Group & Family Getaways Outside of the summer camp season, Anokijig annually offers 3 family weekend programs as well as availability for group rentals on a daily, weekly, or weekend schedule. Spend a weekend at Anokijig and experience relaxation at its best. We do all the work and you have all the fun. Take advantage of our extensive program facilities or just lay back and enjoy. Delicious home-style meals are served in our Western Lodge. Come join us—you will find the place, the price, and the management to be most agreeable. Call, email, or visit our website for more information.

Earn Your Way Any camper can participate in our candy sale or internet gift sales program to earn all or a portion of their camp fee. It is easy to do and fun besides.

Bring a new camper to Anokijig for a week-long program and earn a discount. Bring enough new friends and come for FREE.

STAMPER: If you are at least 14 and willing to work in our kitchen/dining hall for 1 meal a day (approx. 2-3 hours), you are eligible to reduce your Resident Camp fee in our Stamper Program.

I approve this application and certify that the applicant is capable of such an experience. I understand that Camp Anokijig does not offer bilingual services. For the safety of my child, I understand that my child is expected to be fluent in conversational English. I agree to pay the balance of the fees and send in all paperwork six weeks prior to arrival to avoid late charges of \$50.00. To qualify for any refund, cancellations must be made at least four weeks prior to the scheduled arrival. I understand that the \$100 per session deposit is not refundable or transferable.
