Teddy Bear Christmas (6-10 years)

A short while back on the Studio steps - were a dozen sweet bears looking to rest! The note on the box read - "a home for Christmas would be the best gift of all." So come to the Studio and "adopt" a bear - we'll make them treats so they won't have a care. What type of treats you ask? You'll just have to see - they will love coming home with you and sitting under your tree! Stuffed bears are premade and all accessories are included.
