PARENT/GUARDIAN VERIFICATION OF STUDENT RESIDENCE

All students attending CCSD59 schools must be legal residents of the District. Generally, IL law provides that the residence of a student is the same as the person who has legal custody of the student.

PARENTS OF NEW STUDENTS & TRANSFERRING STUDENTS MUST PROVE RESIDENCY AT TIME OF REGISTRATION. RETURNING STUDENTS ENTERING 3rd & 6th GRADE MUST PROVE RESIDENCY AT THE SCHOOL BETWEEN JULY 29 - AUGUST 11. STUDENTS WILL NOT BE ALLOWED TO BEGIN SCHOOL UNTIL RESIDENCY IS PROVEN.

NOTICE: Registration of a student who is not a legal resident is a fraudulent act. Illinois law has made it a crime, punishable by imprisonment and fine, to knowingly or willfully present any false information regarding the residency of a student for purposes of enabling that student to attend on a tuition-free basis or to knowingly enroll or attempt to enroll a student on a tuition-free basis when the student is known to be a non-resident of the District. Board of Education policy authorizes the investigation of residency before or after enrollment in accordance with Illinois law and may require additional information to be considered in determining residency. Parents/guardians who fraudulently register a student will be charged tuition for the period the student had been in attendance. The District will seek prosecution to the full extent of the law of any person who the District believes has committed any residency-related crime. Additionally, a civil lawsuit may be initiated by the District.

Annual Authorization for Internet and Electronic Network Access

INTRODUCTION

The District's Electronic Network provides Internet and other electronic access in support of education and/or research. The goal in providing this access is to promote educational excellence by facilitating resource sharing, innovation, productivity, and communication. Parents (guardians) must annually grant permission for their student(s) to access these resources. Students must also agree to abide by the District's and school's electronic network rules and regulations. Violation of applicable policies, regulations or procedures may result in the loss of the privilege to use this resource, District disciplinary action, and/or referral to law enforcement.

The District takes precautions to prevent access to materials that may be defamatory, inaccurate, offensive, or otherwise inappropriate in the school setting. Each District computer with Internet access has a filtering device when on the district network that blocks entry to visual depictions that are (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by the Children's Internet Protection Act and as determined by the Superintendent or designee. However, it is impossible to control all material and a user may discover inappropriate material. Ultimately, staff members and/or parent(s)/guardian(s) are responsible for setting and conveying the standards that their students, children, or wards should follow. To that end, the District supports and respects each individual's right to decide whether or not to authorize electronic network access. Parents are responsible for filtering home internet access.

Parents (guardians) and students are required to read Board Policy 6.235 and Administrative Regulation 6.235R2, and are required annually to authorize a student's use of this resource.

CCSD59 SOFTWARE APPLICATIONS PERMISSION FORM 2020-21

CCSD59 utilizes various technology resources to support student learning, including but not limited to third-party online and cloud-based service providers. These resources include third-party software applications, commonly known as “apps”. CCSD59 Board policies govern the use of third-party apps with students, including Policy 6:60 (Curriculum Content) and Policy 6:235 (Access to Electronic Networks). CCSD59 also has an approval process for using third-party apps. Your child’s personally identifiable information that is input into these apps by your child and/or school staff (for example, student name, school e-mail address, class work) may be accessed by the third-party providers that run the apps. This permission form must be completed and returned before your child will be granted access to any CCSD59-approved apps.

BY SIGNING BELOW, I, THE PARENT/GUARDIAN OF THE STUDENT NAMED BELOW, CONFIRM THAT I UNDERSTAND AND AGREE TO THE FOLLOWING:

1. I have had the opportunity to review CCSD59’s Board Policy 6:235 (Access to Electronic Networks). I understand that my child must comply with Policy 6:235 and all other District policies and rules concerning the use of CCSD59-approved applications.
2. I understand that my child is responsible for his/her use of CCSD59-approved applications at all times. I accept full responsibility for supervision if and when my child uses CCSD59-approved applications outside of school.
3. I understand that my child’s failure to follow all CCSD59 policies and rules for using third-party applications may result in the loss of privileges, disciplinary action (which may include suspension or expulsion), and/or appropriate legal action.
4. I understand CCSD59 has an approval process for third-party applications, and, once approved, the third-party provider is a CCSD59 “school official” that may access my child’s personally identifiable information that is available within the third-party provider’s application without my prior consent or prior notice given to me.
5. I understand that when my child uses CCSD59-approved applications, information about my child that has been input into the third-party provider’s application by my child and/or CCSD59 employees will be collected and stored electronically by the third-party provider. I understand that such stored information may be accessible to someone other than my child, me and CCSD59 employees or school officials by virtue of this online environment.
6. I understand that CCSD59 employees and school officials may access and monitor my child’s use of CCSD59-approved applications, including accessing and searching any material stored, transmitted, or received through the applications.
7. I understand that access to CCSD59-approved applications is designed for educational purposes and that CCSD59 takes precautions to eliminate controversial material. However, I also recognize that it is

impossible for CCSD59 to restrict access to all controversial and inappropriate materials. I will hold harmless CCSD59, its employees, agents, or Board members for any harm caused by materials obtained via CCSD59-approved applications.

8. I understand that I may revoke my consent for my child to access and use CCSD59-approved applications at any time in writing.

9. I understand that I may ask for my child's account/information to be removed from third-party application providers at any time.

____ **YES**, I understand and agree with the above terms and give permission for my child to use any CCSD59-approved applications during this school year.

____ **NO**, I do not give permission for my child to use any CCSD59-approved applications during this school year.

CCSD59 1:1 STUDENT DEVICE RESPONSIBLE USE CONTRACT 2020-2021

CCSD59 is providing digital access to each student to advance the opportunity to learn in a 21st century context. In grades K-1, students will have access to an Acer Chromebook Tab 10 tablet to be used while at school. Students in grades 2-8 will have access to a C751T Chromebook (Spin 11) to be used while at school for grade 2, and at school and home for grades 3-8. As part of this program, students are expected to maintain a level of responsible use with the devices that support the mission and purpose of the program. The following is a list of expected responsible behaviors for students to engage when using their device.

RESPONSIBLE USE EXPECTATIONS:

- All aspects of the district's Acceptable Use Policy apply when using the devices.
 - Students in grades 3-8 will be allowed to take their devices home in the evening and weekends. Students are responsible for any damage that occurs while the device is off the district premises.
 - Parents are responsible for filtering home internet access.
 - The devices are an educational tool and should be used in that capacity. Once issued, students are responsible for taking excellent care and caution in the protection, care and use of the devices.
 - If a device malfunctions or is in need of repair, students will not attempt repair, but will return it to the school's Learning Resource Center for repair.
 - The devices are property of CCSD59, and as such, all content (software, email, internet use, etc.) will be monitored. Messages and/or internet content relating to or in support of illegal activities will be reported to the authorities.
 - Students have no expectations of privacy and can expect teachers and administrators to conduct checks of their internet history, documents, etc.
 - The identification tags on the devices and cases must remain on the devices at all times.
 - Passwords should be kept confidential.
 - "Cyberbullying" will not be tolerated. Cyberbullying is bullying by use of any electronic communication device using, but not limited to, email, instant messaging, text messages, blogs, mobile phones, pagers, online games, websites, etc.
 - Students are expected to notify a staff member whenever they come across information or messages that are inappropriate, dangerous, threatening, or make them feel uncomfortable.
 - Enjoy the use of your device and take advantage of the opportunity it offers to help you in your learning.
-

GENERAL USAGE PRACTICES:

- Do not place items on the Chromebook keyboard as accidentally closing the device with items on the keyboard can damage the screen.
- Do not mark the bags or cases in any way with markers, stickers, etc.
- Do not download, copy, or share copyrighted material. This includes music files, images, or software.
- Students are prohibited from attempting to bypass the district filter.
- Presence of weapons, pornographic materials, inappropriate language, alcohol, drug, gang-related symbols or activity, or inappropriate images are not allowed on the device and will result in disciplinary actions.
- Conduct yourself in a socially acceptable and positive manner at all times when using the device, the network, and the Internet.

The use of a CCSD59 Acer Tab 10 tablet and Chromebook is a privilege, not a right. As such, CCSD59 reserves the right to discipline, assess fees, and/or revoke access to the devices as deemed necessary for any action in violation of this responsible use contract or violation of the district’s Acceptable Use Policy.
