Who: Any 5th, 6th, 7th, or 8th Grade Student Who Will Attend EGHS in the Future

The EGHS Feeder Basketball program is a great way for future Grenadiers to become acclimated with the basketball program. It provides the individual with a chance to play with kids from multiple schools, who will also attend EGHS in the future. During the pandemic, this is a great opportunity for the student-athlete to get out of the house and interact with his peers.

Due to the current pandemic, basketball in Illinois has been deemed medium-risk, meaning we are limited to Level 1 and 2 activities. This means we are allowed to practice and play intrasquad scrimmages until the state gives us clearance to play competitive games against non Elk Grove High School participants, which we hope will be by the end of 2020 or early in 2021.
