TO: Parents/Guardians of Students Who Attended The Early Learning Center (ELC)

## **INSTRUCTIONS FOR ENROLLING YOUR STUDENT IN KINDERGARTEN**

**Please review the enclosed registration and informational materials carefully.**

Although your child has been enrolled at the Early Learning Center (ELC) for preschool, you must still complete the kindergarten registration process. Therefore, the enclosed forms must be completed and returned to your child's home elementary building where your child will be attending kindergarten. If you are unsure of where your child will attend kindergarten, please contact our office staff at (847) 593-4306. Please do not return registration paperwork to the ELC. If you need assistance completing any of the forms, please contact the ELC school secretaries.

Registration begins at all elementary schools beginning on the evening of February 18, 2021, and is currently by appointment only. Please contact the school office where your child will attend kindergarten for additional information and to schedule a date and time that works for you, as no walk-in registrations can be accepted. Please bring your completed kindergarten registration materials with you to your appointment.

Applications for the Two-way Dual Language and Ridge Family Center for Learning Choice Programs are due on Tuesday, April 6th, 2021, at 4:00 pm. If the number of applicants on April 6th exceeds the space available in the program, a lottery will be held on Thursday, April 8th. If space remains after April 8th, the application process will be ongoing.

Parents who wish to apply for the Two-way Dual Language Choice Program should go to their home school to register. Parents who wish to apply for the Ridge Choice Program should go to Ridge Family Center for Learning to register.

If your child's elementary (kindergarten) attendance school changes due to moving or receiving English Language or Special Education services, your child's registration paperwork will be transferred to the appropriate building by school staff.

If you have decided not to enroll your child in District 59 kindergarten, please notify the ELC's school secretary as soon as possible.

Thank you,  
The Early Learning Center Staff

We welcome you and your child to the Community Consolidated School District 59 kindergarten program. We hope you find this resource to be helpful as you become acquainted with our kindergarten program. If you have other questions, please feel free to contact your child's principal or teacher.

Yours for better schools,

Dr. Art Fessler  
Superintendent

## Kindergarten Transportation Information

Community Consolidated School District 59 allows kindergarten students free transportation if they reside one mile or more from school or reside in an area designated by the Board of Education as a “hazardous area” for walking (i.e. crossing a busy roadway). If you have any questions about eligibility for free transportation please contact Transportation Services at (847) 593-4379.

Parents of kindergarten students who are **requesting different bus stops than have been assigned** must complete the enclosed Transportation Request Form (T-42). Completion of this form will assist in accurately assigning your child to the appropriate route. Pick-up and drop-off locations must be within the assigned school boundary and will be limited to the home or one designated location, i.e., home and one babysitter. Alternating days of the week/multiple locations for pick-up and drop-off will not be allowed. There will be no exceptions. This policy is for your child’s safety. **This form must be completed and forwarded to Transportation Services by July 1.**

### **FULL DAY KINDERGARTEN STUDENTS**

Students who attend full day programs will be assigned a regular bus stop with other students from their school. After school, students will get off the bus at a regular bus stop with other students from their school. It is expected that someone will be there or at home to meet the student; however, the bus driver **does not wait** until they see an adult.

### **HALF DAY KINDERGARTEN STUDENTS**

Kindergarten students will be assigned a regular bus stop with other students from their school except during noon-hour routes. For kindergarten routes that operate during this noon-hour period, a bus stop will be assigned at the student’s home or a designated central location within an apartment/mobile home complex. It is expected that an adult will meet the bus. The driver will not leave the student unless an adult is seen or they see the student enter the home. Students without an escort will be returned to the child’s assigned school.

### **BUS CHANGES**

Your student will be assigned a bus stop based on your home address. Any other pick-up or drop-off location, such as a daycare, babysitter, etc., must be requested by completing the Transportation Request Form and submitting it to the Transportation Department by July 1. These locations **must be within the attending school boundary at an existing stop. No changes will be accepted during the first two weeks of school.** Parents will be expected to provide transportation until changes are effective. Changes after the first two weeks will require a minimum of three attendance days to process.

### **PAY TRANSPORTATION**

Kindergarten students are not eligible to choose to pay for bus service during noon hour routes.

Prior to the start of the new school year, District 59 “Back to School” materials will include more detailed information regarding bus routes and stops. This information will also be available at your home school. If you have any questions, please contact Transportation Services at (847) 593-4379. Thank you.

### IMPORTANT INFORMATION REGARDING ILLINOIS CERTIFICATE OF CHILD HEALTH EXAMINATION FORM

Dear Parent/Guardian,

The Illinois School Code requires that all children entering kindergarten or the first grade, or enrolling in an Illinois school for the first time, regardless of the student's grade (including early childhood, special education, and student's transferring into Illinois), have a physical examination within one year prior to entry into school. There must also be documented evidence that each child has received all required immunizations.

Attached is a Certificate of Child Health Examination form. Please be sure the following information is completed on this form before it is returned to school:

- The student's name and information should be entered on both sides of the exam form.
- **Immunization History** must include specific dates. A health care provider's signature is required to verify the immunization dates.
- The **Health History** (on the back) must be completed and signed by a parent/guardian.
- The **physical exam** must be completed, dated, and signed by a physician, nurse practitioner or physician's assistant.
- Approval to participate in **Physical Education and Interscholastic Sports** near the bottom of the page must be checked by the physician. Modifications must be specified.

The only exception to this requirement is based on religious objection or medical contraindication for your child. However, proper documented evidence must be submitted to your child's school health office.

If, for any reason, you are unable to comply with the state requirement, please contact your child's school health office as soon as possible.

We appreciate your cooperation in this matter.

## PROOF OF SCHOOL DENTAL EXAMINATION FORM

Illinois law (Child Health Examination Code, 77 Ill. Adm. Code 665) states all children in kindergarten and the second, sixth and ninth grades of any public, private or parochial school shall have a dental examination. The examination must have taken place within 18 months prior to May 15 of the school year. A licensed dentist must complete the examination, sign and date this Proof of School Dental Examination Form. If you are unable to get this required examination for your child, fill out a separate Dental Examination Waiver Form.

This important examination will let you know if there are any dental problems that need attention by a dentist. Children need good oral health to speak with confidence, express themselves, be healthy and ready to learn. Poor oral health has been related to lower school performance, poor social relationships, and less success later in life. For this reason, we thank you for making this contribution to the health and well-being of your child.
