IMPORTANT INFORMATION REGARDING ILLINOIS CERTIFICATE OF CHILD HEALTH EXAMINATION FORM

Dear Parent/Guardian,

The Illinois School Code requires that all children entering kindergarten or the first grade, or enrolling in an Illinois school for the first time, regardless of the student's grade (including early childhood, special education, and student's transferring into Illinois), have a physical examination within one year prior to entry into school. There must also be documented evidence that each child has received all required immunizations.

Attached is a Certificate of Child Health Examination form. Please be sure the following information is completed on this form before it is returned to school:

- The student's name and information should be entered on both sides of the exam form.
- **Immunization History** must include specific dates. A health care provider's signature is required to verify the immunization dates.
- The **Health History** (on the back) must be completed and signed by a parent/guardian.
- The **physical exam** must be completed, dated, and signed by a physician, nurse practitioner or physician's assistant.
- Approval to participate in **Physical Education and Interscholastic Sports** near the bottom of the page must be checked by the physician. Modifications must be specified.

The only exception to this requirement is based on religious objection or medical contraindication for your child. However, proper documented evidence must be submitted to your child's school health office.

If, for any reason, you are unable to comply with the state requirement, please contact your child's school health office as soon as possible.

We appreciate your cooperation in this matter.

Health Coordinator, District #59

WAŻNE INFORMACJE DOTYCZĄCE ILLINOIS CERTIFICATE OF CHILD HEALTH EXAMINATION (BADAŃ ZDROWOTNYCH DZIECKA)

Drogi Rodzicu/Opiekunie,

Przepisy szkolne stanu Illinois (Illinois School Code) wymagają, by wszystkie dzieci zapisujące się do klasy zerowej lub klasy pierwszej albo rejestrujące się do szkoły w stanie Illinois po raz pierwszy, bez względu na klasę (włączając przedszkole, edukację specjalną, uczniów przenoszących się z innego stanu do Illinois), miały aktualne badania lekarskie z ostatniego roku, jeszcze przed zapisaniem się do szkoły. Musi być także dostarczone zaświadczenie potwierdzające, że każde dziecko otrzymało wszystkie wymagane szczepienia.

W załączeniu znajdziecie Państwo formularz zaświadczenia lekarskiego o stanie zdrowia dziecka (Certificate of Child Health Examination). Proszę, upewnijcie się, że następujące informacje zawarte w tym formularzu są kompletne, zanim zostaną oddane do szkoły:

- Nazwisko ucznia i informacje powinny być wprowadzone na obydwu stronach formularza.
- **Historia szczepień** musi zawierać konkretne daty. Podpis pracownika służby zdrowia jest niezbędny, aby można było zweryfikować daty szczepień.
- **Historia zdrowia** (na odwrocie) musi być wypełniona i podpisana przez rodzica/opiekuna.
- **Badanie lekarskie** musi być kompletne, datowane, podpisane przez lekarza, pielęgniarkę dyplomowaną lub asystenta lekarza.
- Zezwolenie na uczestniczenie w **zajęciach fizycznych i międzyszkolnych zawodach sportowych** musi być odnotowane na końcu strony przez lekarza. Wszelkie zmiany muszą być wyszczególnione.

Jedynymi wyjątkami od wymagań dotyczących szczepień są zastrzeżenia natury religijnej lub przeciwwskazania medyczne dla Twojego dziecka. W każdym przypadku jednak, właściwie udokumentowane zastrzeżenia muszą być dostarczone do gabinetu pielęgniarskiego szkoły twojego dziecka.

Jeśli z jakiegokolwiek powodu nie jesteś w stanie sprostać stanowym wymogom, proszę, skontaktuj się z gabinetem pielęgniarskim szkoły twojego dziecka tak szybko, jak to możliwe.

Będziemy wdzięczni za współpracę w tej kwestii.

Denise M. Webster, RN, CSN
Health Coordinator, District #59 (Koordynator d/s Zdrowia Dystryktu 59)

PROOF OF SCHOOL DENTAL EXAMINATION FORM

Illinois law (Child Health Examination Code, 77 Ill. Adm. Code 665) states all children in kindergarten and the second, sixth and ninth grades of any public, private or parochial school shall have a dental examination. The examination must have taken place within 18 months prior to May 15 of the school year. A licensed dentist must complete the examination, sign and date this Proof of School Dental Examination Form. If you are unable to get this required examination for your child, fill out a separate Dental Examination Waiver Form.

This important examination will let you know if there are any dental problems that need attention by a dentist. Children need good oral health to speak with confidence, express themselves, be healthy and ready to learn. Poor oral health has been related to lower school performance, poor social relationships, and less success later in life. For this reason, we thank you for making this contribution to the health and well-being of your child.
