## MORE THAN JUST A ROOM

### STIMULATION

Assist children in managing sensory stimuli within their environment.

### RELAXATION

This environment can be used to calm ones mind and body through the use of gentle light, soothing sound, relaxing smell and touch.

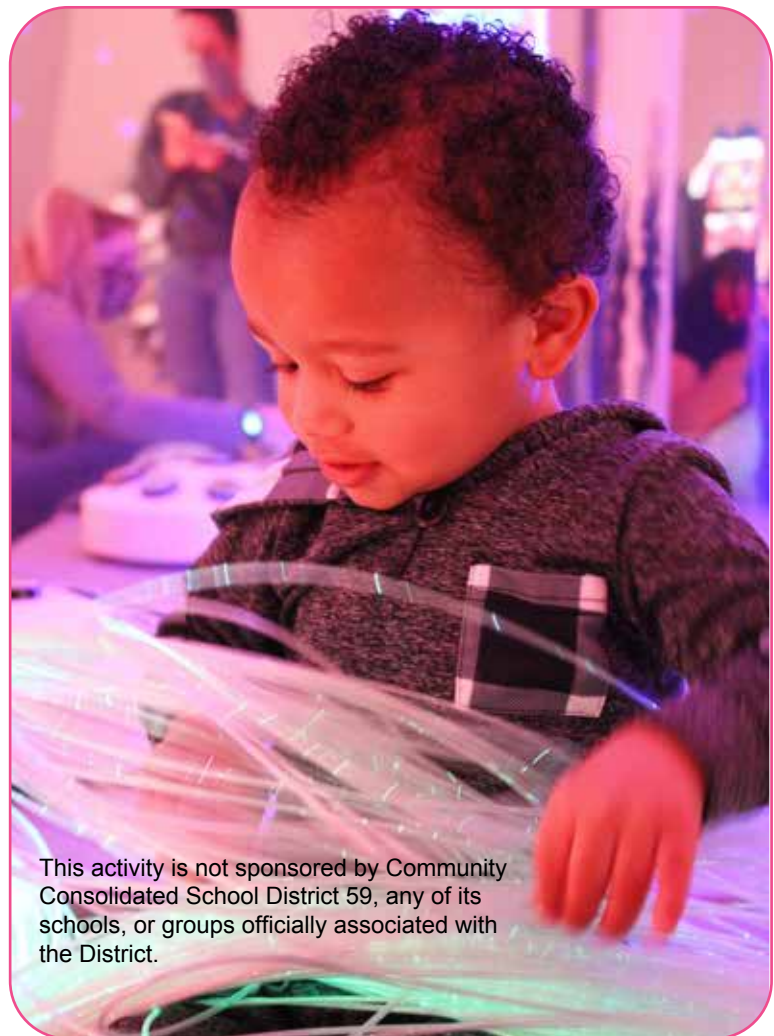

### DEVELOPMENT

Help Children work toward their developmental milestones.

### THERAPY

The CTRS will work with the child and family to set and achieve goals.

This activity is not sponsored by Community Consolidated School District 59, any of its schools, or groups officially associated with the District.
