Reading Colors Your World
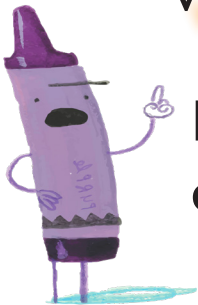

Summer Reading Challenge
-for grades 5 and younger

June 1-August 15, 2021

Add color to your world this summer with summer reading! Read whatever you want to earn chances to win prizes, like a Nintendo Switch Lite!

Count the days you read or when someone reads to you. Once you read for 30 days, you will earn a prize drawing entry and a free book.

Keep reading to the end of the program and earn extra entries for the prize drawings.

It's easy to start! Pick up or download a reading log to track your reading or use the Beanstack app or website (mppl.beanstack.org). Be sure to visit the Main Library or South Branch to check in for prizes.
