

Dear Parents,

Your school has purchased a web-based resource for families of 0-5 year olds involved in our programs called ReadyRosie. ReadyRosie is an online resource that delivers video-based emails and text messages in both English or Spanish to parents and caregivers. The ReadyRosie videos feature real families modeling quick activities that can be done at home to promote success in school. Learn more about ReadyRosie on their website at readyrosie.com.

Each ReadyRosie video models an activity that you can do with your child to help them succeed academically. We know you will enjoy receiving the reminders and doing the activities with your child(ren).
