

# UPDATE

CCSD59 Families,

CCSD59 is committed to ensuring all students have equitable access to both resources and opportunities to equip them to be successful for life. This commitment is a central part of our core values. We are currently on a journey to identify and address areas within our district where we can grow toward achieving this vision.

We would like to offer the opportunity for you to provide voice in our process, and we invite you to do so by [clicking here](#). This short questionnaire should only take a few moments to complete.

We appreciate your partnership as we know this work will not be possible without all of us working together.

*Dr. Terri Bresnahan*  
*Superintendent of Schools, CCSD59*
