

# UPDATE

CCSD59 Families,

At last night's board of education meeting, the district shared the final recommendation for addressing our [eight areas of focus for improvement](#) to best address the needs of all students. You can view the full plan [here](#).

The board will take action on the proposed final recommended plan at the December 12, 2022, board of education meeting.

While the linked plan above provides all of the details of the proposed recommendation, highlights of what the plan would accomplish include:

- Improved school utilization
- Avoids multiple school closures
- Better balance of enrollment and diversity across schools
- Greater availability of programs and resources
- Dual Language - Spanish available at all schools
- Dual Language - Polish available at Clearmont (K-2) and Byrd (3-5)
- Balanced class sizes
- More grade-level peers for students to meet and learn from
- Stronger focus on age-specific needs
- Improved transportation times

We also invite families to view an overview of the final proposed plan broken down by each specific pairing. Please click on the links below to view each pairing flyer.

- [Forest View and Juliette Low](#)
- [John Jay and Robert Frost](#)
- [Brentwood and Devonshire](#)
- [Rupley and Salt Creek](#)
- [Clearmont and Admiral Byrd](#)

If the plan is approved by the board at the December meeting, we will provide additional opportunities in the coming months to help families better understand the potential changes along with the implementation timeline. As always, you can use [this link](#) to view the work that led the district to this proposal, dating back to the creation of our current Strategic Plan in 2019.

Thank you again for your support in this effort as we work to ensure all students in our district have access to the resources and opportunities they need to be successful for life.

Sincerely,

*Dr. Terri Bresnahan*  
*Superintendent of Schools, CCSD59*
