

The vision for CCSD59 is that all students who participate in the Polish Dual Language Program will be bilingual/biliterate and culturally aware in order to be highly successful in a global society.

Research indicates that learning another language (social and academic) takes 5-7 years. Because of this, parents are expected to make a 6 year commitment to the program (K-5).

### PROGRAM GOALS

- Students will work towards performing at grade level or above academically in both English and Polish.
- Students will develop high levels of proficiency in English and Polish in the four language domains (listening, speaking, reading, and writing).
- Students will demonstrate positive cross cultural attitudes and behaviors.

### PROGRAM BASICS

- Two languages are used for instruction (English and Polish).
- Our program follows the “50/50” model of instruction:

ENGLISH	50%	50%	50%	50%	50%	50%
	K	1	2	3	4	5
POLISH	50%	50%	50%	50%	50%	50%

It is important to be aware that CCSD59 offers one type of Polish Dual Language program.

### ONE-WAY DUAL LANGUAGE

The One-way Dual Language program is for English Language Learners that have Polish as a heritage language.

Students are admitted in the program based on their eligibility to receive English Language Learning services.

The One-way Polish Dual Language program is located at Clearmont Elementary School.
