ACADEMIC RIGOR

ACADEMIC RIGOR

AVID Strategies: *Socratic Seminar & Philosophical Chairs*

- Pre-work involves researching a topic, making a claim and citing multiple pieces of evidence to support that claim (using focused note-taking)
- Scholars set norms (expectations) for behavior during the discussions/debates
- Students use their academic language scripts to engage in a formal discussion about the research topic
- Students reflect on their performance and the performance of their classmates after the activity

COLLEGE AND CAREER READINESS - GAME OF LIFE FAMILY NIGHT

COLLEGE AND CAREER READINESS

- Visit to Northwestern Pritzker School of Law in May
- 214 Education Academy Panel
