

SUMMER ARTS CAMP

Six Week Summer Camp!

June 20th - July 29th

Let your child have fun this summer, exploring nature trails, engaging in sports activities while learning all aspects of the creative and performing arts! Our workshops are taught by Illinois Board of Education certified teachers and professional Chicago-area directors and choreographers. Arts education is a proven way to improve memory skills and strengthen social skills.

Structured learning activities will be taught indoors and out. Your child will have a highly productive summer and learn to work with others to achieve a common goal.

ArtReach welcomes all children and teens ages 5 through 18. Workshops are taught at various experience levels, from beginner through advanced. All participants are encouraged and challenged and will have the chance to show off their skills in a staged theatrical production.

Workshops take place in the Palatine/Rolling Meadows area. Come join us for a summer experience you will never forget!
