

DUAL LANGUAGE CHOICE PROGRAM

For non-Spanish speaking families interested in enrolling their child(ren) in bilingual education, CCSD59 offers a Dual Language Choice Program.

The program is designed to develop academic content and linguistic competence in both English and Spanish. Pillars focus on:

- Becoming bilingual, biliterate and bicultural.
- Using higher-level cognitive skills in English and Spanish.
- Creating a classroom environment that promotes linguistic and cultural equality.

Our Dual Language Choice program provides:

- The Strategic and sustained use of both English and Spanish across the curriculum.
- Minimum of 50% of the instructional time spent in the Spanish language.
- Students interact socially and academically in English and Spanish with the goal of developing both social and academic proficiency in the two languages.

If interested in our Spanish Dual Language Choice program:

- Complete Online Interest Form by March 21st by scanning the QR code to the right.
- District will contact interested families once staffing has been determined to notify of acceptance by Friday, April 5th.
- If interest exceeds capacity, a lottery will be used to determine acceptance.
