

CCSD59 RESOURCES AT HOME

CCSD59 has a variety of resources available for families to support learning at home. Learning at home with these resources is self-directed and intended to supplement learning and engagement in the core curriculum.

READY ROSIE

ReadyRosie is a family engagement and early learning platform that offers parents short videos showing how they can easily support their children from the newborn stage through third grade in reading, math, and social emotional learning at home. The videos are selected based on each child's age. Scan the QR codes below for additional information.

iREADY MATH & READING

iReady Math and Reading is a digital resource for students in grades K-7. It offers personalized digital learning activities and online literacy instructional lessons.

- Login Information: Log in by using Clever. Once you login to iReady, select Math and/or Reading

Math IXL

Math IXL is a digital math resource for students in grades K-7. It offers personalized learning activities, online lessons, and games.

- Login Information: Visit our district IXL account (www.ixl.com/signin/ccsd59) and log in with the information your teacher provided students (username and password: student ID #)
